Kyoto Institute of Technology

To those who plan to take any of the examinations below:

Graduate School of Science and Technology Master's Program:

General Entrance Examination (III)

Special Entrance Examination for Adults (II)

Special Entrance Examination for International Students

The 258th and 259th TOEIC® Listening & Reading Test

The Kyoto Institute of Technology Graduate School of Science and Technology Master's Program General Entrance Examination (III), the Special Entrance Examination for Adults (II) and the Special Entrance Examination for International Students will take place on February 3, 2021 (Wed). At the time of application, the submission of the original TOEIC® Listening & Reading Official Score Certificate (hereinafter the Individual TOEIC Official Score Certificate) is required for all majors except Advanced Fibro-Science and Biobased Materials Science.

The Institute for International Business Communication has announced that, for tests scheduled October 25, 2020 to March 21, 2021, the TOEIC® Listening & Reading Test (hereinafter the TOEIC Test) will be held twice (morning and afternoon) on each scheduled day.

Applicants who do not have an Individual TOEIC Official Score Certificate (issued within 2 years from the final day of the application period) should apply for one of the TOEIC Tests (the 258th or the 259th TOEIC Test) scheduled for the morning and afternoon (respectively) of December 6, 2020 (Sun). The application deadline is 3 pm, October 19, 2020 (Mon) for the 258th test and 3 pm, October 26, 2020 (Mon) for the 259th test.

Note that, for the time being, in order to prevent the spread of COVID-19 and because of the current limit of test centers, a random selection process will be used to limit the number of TOEIC Test examinees.

In consideration of the above, special measures will be provided for applicants who are not selected to take the 258th or 259th TOEIC Test. If this applies to you, please contact us at the e-mail below by November 10, 2020 (Tue).
